

## **Health & Safety Data for:**

# Preformed Thermoplastic Markings, Tac-Pads, Colstrips, Anti skid sheets

Data Sheet No. 106 Revision: 06/07/17 Replaces: 09/12/16

Recommended uses: Road Marking, Preformed antiskid strips

Known misuses / abuses: Not known

1	Identification of the Substance / Preparation and of the Company / Undertaking	
	Product:	Preformed Thermoplastic Markings, Tac-Pads, Colstrips, Anti skid sheets
	Company:	Colas Limited
	Address:	Wallage Lane, Rowfant, Crawley, West Sussex RH10 4NF
	Telephone:	01342 711000
	Emergency Telephone:	01342 718346

#### 2 Hazard Identification

Contact with hot product may cause burns. Smoke/vapours released by hot product may irritate respiratory tract and eyes in confined or poorly ventilated areas.

The product is classified and labelled according to the CLP regulation 1272/2008.

### 3 Composition / Information on Ingredients

A preparation containing polymers, mineral fillers, mineral oil, titanium dioxide, glass beads and additives none of which are present in concentrations that present a hazard to health.

4 First Aid Measures

9	Physical and Chemical Properties		
	Appearance	Solid	
	Odour	Characteristic	
	Boiling Point/Boiling Range	>260°C	
	Flashpoint	>250°C	
	Softening Point	90 – 150°C	
	Density	1.8 – 2.2 g/cm <sup>3</sup>	
10 Stability and Reactivity			
	Conditions to Avoid	Heating above recommended temperature.	
	Materials to Avoid	Light organic solvents and large amounts of gasoline.	
	Decomposition Products	Hydrocarbons, aldehydes and organic acids.	
11	Toxicological Information	on	
	Inhalation	Dusts and fumes may irritate airways and cause headaches. An allergic reaction to airways may result if exposed to excessive levels of dusts. Not relevant for cold product.	
	Skin	Contact with hot product may cause burns. Not relevant for cold product.	
	Eyes	Dusts or fumes from hot product may irritate eyes. Not relevant for cold product.	
	Ingestion	May cause vomiting.	
12	<b>Ecological Information</b>		
	Not classified as hazardo	us to the environment.	
13	Disposal Considerations		
	Dispose as a controlled w	aste in accordance with local by-laws and regulations.	
14	Transport Information		
	Not classified as hazardous for conveyance.		
15	Regulatory Information		
	Not classified as hazardo	us for use.
