

SAFETY DATA SHEET Ultracrete Instant Road Repair

SECTION 1: Identification of	f the substance/mixture and of the company/undertaking	
1.1. Product identifier		
Product name	Ultracrete Instant Road Repair	
1.2. Relevant identified uses of the substance or mixture and uses advised against		
Uses advised against	No specific uses advised against are identified.	
1.3. Details of the supplier of	of the safety data sheet	
Supplier	Instarmac Group plc Danny Morson Way Birch Coppice Business Park Dordon, Tamworth Staffordshire. B78 1SE United Kingdom Tel: +44 (0) 1827 254400 Fax: +44 (0) 1827 285386 email@instarmac.co.uk www.instarmac.co.uk	
1.4. Emergency telephone	number	
Emergency telephone	+44(0)1827 254433 +44 (0)7971 217 347 (24 hours)	
SECTION 2: Hazards ident	ification	
2.1. Classification of the su		
Classification (EC 1272/200 Physical hazards	Not Classified	
Health hazards	Not Classified	
Environmental hazards	Not Classified	
Human health	See Section 11 for additional information on health hazards.	
Environmental	The product is not expected to be hazardous to the environment.	
2.2. Label elements		
Hazard statements	NC Not Classified	
2.3. Other hazards		
This substance is not class	fied as PBT or vPvB according to current EU criteria.	
SECTION 3: Composition/in	nformation on ingredients	

3.1. Substances

Classification according to EC 1272/2008 (CLP)

3.2. Mixtures

2. Special hazards arising from the substance or mixture	5.2. Special hazards arising fro	rom the substance or mixture	
Specific hazardsProtection against nuisance dust must be used when the airborne concentration exceeds 10 mg/m3. Thermal decomposition or combustion products may include the following substances: Toxic gases or vapours.	Specific hazards	mg/m3. Thermal decomposition or combustion products may include the	
	Hazardous combustion products	Does not decompose when used and stored as recommended.	
.3. Advice for firefighters	5.3. Advice for firefighters		

Protective actions during	No specific firefighting precautions known.	
firefighting		
Special protective equipment for firefighters	Wear positive-pressure self-contained breathing apparatus (SCBA) and appropriate protective clothing. Use protective equipment appropriate for surrounding materials.	
SECTION 6: Accidental release	se measures	
6.1. Personal precautions, pro	stective equipment and emergency procedures	
Personal precautions	Wear protective clothing as described in Section 8 of this safety data sheet.	
6.2. Environmental precaution	IS	
Environmental precautions	Do not discharge into drains or watercourses or onto the ground.	
6.3. Methods and material for	containment and cleaning up	
Methods for cleaning up	Collect spillage with a shovel and broom, or similar and reuse, if possible.	
6.4. Reference to other sectio	ns	
Reference to other sections	For personal protection, see Section 8. Collect and dispose of spillage as indicated in Section 13. See Section 11 for additional information on health hazards.	
SECTION 7: Handling and sto	brage	
7.1. Precautions for safe hand	lling	
Usage precautions	Avoid contact with skin and eyes. Avoid eating, drinking and smoking when using the product. Good personal hygiene procedures should be implemented. Wash hands and any other contaminated areas of the body with soap and water before leaving the work site.	
7.2. Conditions for safe storage, including any incompatibilities		
Storage precautions	Store in a cool and well-ventilated place.	
Storage class	Unspecified storage.	
7.3. Specific end use(s)		
Specific end use(s)	The identified uses for this product are detailed in Section 1.2.	
SECTION 8: Exposure contro	Is/Personal protection	
8.1. Control parameters		
Occupational exposure limits SKIM COATED STONE		
Long-term exposure limit (8-h Short-term exposure limit (15-		
PAVING GRADE BITUMEN		
Long-term exposure limit (8-hour TWA): WEL 5 mg/m³ Short-term exposure limit (15-minute): WEL 10 mg/m³		
Solvent Naphtha (Petroleum), Light Aromatic

Ingredient comments No exposure limits known for ingredient(s).

WHITE SPIRIT (CAS: 64742-88-7)

Ingredient comments WEL = Workplace Exposure Limits

HYDROGENATED TALLOW AMINE

Ingredient comm	ents WEL = Workplace Exposure Limits	
8.2. Exposure controls		
Appropriate engineering controls	Not relevant.	
Eye/face protection	The following protection should be worn: Chemical splash goggles.	
Hand protection	Chemical-resistant, impervious gloves complying with an approved standard should be worn if a risk assessment indicates skin contact is possible.	
Other skin and body protection	Wear appropriate clothing to prevent any possibility of skin contact.	
Hygiene measures	Wash at the end of each work shift and before eating, smoking and using the toilet. No specific hygiene procedures recommended but good personal hygiene practices should always be observed when working with chemical products.	
Respiratory protection	No specific recommendations.	
SECTION 9: Physical and chemical properties		
9.1. Information on basic phys	sical and chemical properties	
Appearance	Solid or liquid (may vary).	
9.2. Other information		
Other information	Not available.	
SECTION 10: Stability and reactivity		
10.1. Reactivity		
Reactivity	There are no known reactivity hazards associated with this product.	
10.2. Chemical stability		
Stability	No particular stability concerns.	
10.3. Possibility of hazardous reactions		
Possibility of hazardous reactions	Not applicable. No potentially hazardous reactions known.	
10.4. Conditions to avoid		
Conditions to avoid	Avoid heat, flames and other sources of ignition.	
10.5. Incompatible materials		
Materials to avoid	No specific material or group of materials is likely to react with the product to produce a hazardous situation.	

10.6. Hazardous decomposition products			
Hazardous decomposition products	Oxides of carbon. Thermal decomposition or combustion may liberate carbon oxides and other toxic gases or vapours.		
SECTION 11: Toxicological information			
11.1. Information on toxicologi	ical effects		
Toxicological effects	No information available.		
General information	No specific health hazards known.		
Inhalation	No specific health hazards known.		
Ingestion	May cause irritation. Symptoms following overexposure may include the following: Stomach pain. Nausea, vomiting. Diarrhoea.		
Skin contact	Irritating to skin.		
Eye contact	Irritating to eyes.		
Acute and chronic health hazards	This product may cause skin and eye irritation.		
SECTION 12: Ecological infor	mation		
Ecotoxicity	The product components are not classified as environmentally hazardous. However, large or frequent spills may have hazardous effects on the environment.		
12.1. Toxicity			
Toxicity	No information available		
12.2. Persistence and degradability			
Persistence and degradability	No information available There are no data on the degradability of this product.		
12.3. Bioaccumulative potentia			
Bioaccumulative potential	No data available on bioaccumulation.		
12.4. Mobility in soil			
Mobility	The product is non-volatile.		
12.5. Results of PBT and vPv	B assessment		
Results of PBT and vPvB assessment	This substance is not classified as PBT or vPvB according to current EU criteria.		
12.6. Other adverse effects			
Other adverse effects	Not available.		
SECTION 13: Disposal considerations			
13.1. Waste treatment method	ds		
General information	When handling waste, the safety precautions applying to handling of the product should be considered.		
Disposal methods	Dispose of waste to licensed waste disposal site in accordance with the requirements of the local Waste Disposal Authority.		
SECTION 14: Transport information			

10.6 Hazardous decomposition products

General

The product is not covered by international regulations on the transport of dangerous goods (IMDG, IATA, ADR/RID).

14.1. UN number

Not applicable.

14.2. UN proper shipping name

Not applicable.

14.3. Transport hazard class(es)

Not applicable.

14.4. Packing group

Not applicable.

14.5. Environmental hazards

Environmentally hazardous substance/marine pollutant No.

14.6. Special precautions for user

Not applicable.

14.7. Transport in bulk according to Annex II of MARPOL and the IBC Code

Transport in bulk according to Not applicable. Annex II of MARPOL 73/78 and the IBC Code

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture	
ational regulations	Health and Safety at Work etc. Act 1974 (as amended).
	Control of Substances Hazardous to Health Regulations 2002 (as amended)
uidance	Safety Data Sheets for Substances and Preparations.

No chemical safety assessment has been carried out.

SECTION 16: Other information

General information	Only trained personnel should use this material.
Issued by	HS&E Manager.
Revision date	03/03/2020
Revision	2
Supersedes date	06/09/2017
SDS status	Approved.
