

**SECTION 1: Identification of the substance/mixture and of the company/undertaking****1.1. Product Identifier**

Product form

Product name : Wykamol Corner Tape, Wykamol Rope, Wykamol Corner Strip, Wykamol Overseal, Wykamol

Product code Fibre Tape

**1.2. Relevant identified uses of the substance or mixture and uses advised against****1.2.1. Relevant identified uses**

Main use categories : Waterproof Sealants for use with Damp-proofing membranes, Waterproofing membrane, Professional use, Consumer use

**1.2.2. Uses advised against**

No additional information available

**1.3. Details of the supplier of the safety data sheet**

Wykamol Group Ltd  
Unit 3 Boran Court  
Network 65 Business Park  
Hapton, Burnley  
Lancashire, BB11 5TH  
Tel: 0845 400 6666  
Fax: 0845 400 3333

**1.4. Emergency telephone number**

Emergency number : +44 (0) 845 400 6666 (0800 - 1700) UK time

**SECTION 2: Hazard identification****2.1. Classification of the substance or mixture****Classification in accordance with the Dangerous Preparations Directive 1999/45/EC**

The product is an article; therefore, no classification is required.

**2.2. Label elements****Labelling according to Regulation (EC) No. 1272/2008 [CLP]**

None required

**2.3. Other hazards**

Under normal conditions of use, this product is not expected to create any unusual emergency hazards.

Due to product form, exposure to dusts and fumes is not expected to occur.

**SECTION 3: Composition/Information on ingredients****3.1. Substance**

Not applicable; product is an article

**3.2. Mixture**

The sealant is a semi-solid product based on a blend of rubber and polybutene with inorganic fillers, plasticisers and flow modifiers. Laminated products are backed by polyethylene film, a PVC film or a polyester fleece.

**See Section 16 for further information**

## **SECTION 4: First aid measures**

### **4.1. Description of first aid measure**

First-aid measures after eye contact : Remove, as for any other foreign object.

Skin Contact : Remove and wash with soap and water.

Inhalation : Unlikely to occur

Ingestion : Get medical attention if any discomfort continues.

### **4.2. Most important symptoms and effects, both acute and delayed**

Symptoms/injuries Skin : Prolonged contact with the skin may cause irritation.

### **4.3. Indication of any immediate medical attention and special treatment needed**

No recommendation given, but if in doubt get medical attention promptly and treat symptomatically.

## **SECTION 5: Firefighting measure**

### **5.1. Extinguishing media**

Carbon dioxide, foam, dry powder or fine water spray. Water can be used to cool containers exposed to fire. No known unsuitable extinguishing media.

### **5.2. Special hazards arising from the substance or mixture**

Hazardous decomposition product in case of fire : Carbon oxides and traces of incompletely burned carbon compounds.

### **5.3. Advice for firefighters**

Firefighting instructions : Keep containers cool with water spray until well after the fire is out.

Protection during firefighting : A self-contained respirator and protective clothing should be worn. Determine the need to evacuate or isolate the area according to your local emergency plan.

## **SECTION 6: Accidental release measures**

### **6.1. Personal precautions, protective equipment and emergency procedures**

Wear proper protective equipment. (see Section 7).

### **6.2. Environmental precautions**

Prevent material from entering surface waters, drains and soil.

### **6.3. Methods and material for containment and cleaning up**

Methods for cleaning up : Do not leave excess or unwated material exposed. Place in a container fitted with a lid and dispose of in accordance with local regulations.

### **6.4. Reference to other sections**

See Sections 8 and 13 for further advice on protective clothing and disposal.

## **SECTION 7: Handling and storage**

### **7.1. Precautions for safe handling**

Precautions for safe handling : Avoid skin contact.

Hygiene measures : Customary personal hygiene measures are recommended after handling this product, such as washing hands and washing clothing which may have come in contact with the product

## 7.2. Conditions for safe storage, including any incompatibilities

Storage conditions : Keep container closed and store away from moisture. Storage temperature should be between 5°C and 30°C with a relative humidity of < 50%.

## 7.3. Specific end use(s)

See technical instruction for the potential uses of this product.

## SECTION 8: Exposure controls/personal protection

### 8.1. Control Parameters

No specific exposure limits.

### 8.2. Exposure controls

Respiratory protection	: Not necessary
Hand protection	: Gloves should be worn where contact with the product will occur.
Eye protection	: Not normally necessary. Avoid contact with eyes.
Skin protection	: Not normally necessary. It is recommended that prolonged contact with skin is avoided and skin which may come into prolonged contact with the product should be covered.
Hygiene measures	: Exercise good industrial hygiene practice. Wash after handling, especially before eating, drinking or smoking.
Environmental Exposure Controls	: Refer to sections 6 & 12

## SECTION 9: Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

Appearance	: Semi-solid tape
Colour	: Black
Odour	: None
Specific Gravity	: 1.6g/cm³
Solubility (H2O)	: 0 g/l at 25°C

The above information is not intended for use in preparing product specifications.

### 9.2. Other information

No Additional information available

## SECTION 10: Stability and reactivity

### 10.1. Reactivity

The product is non-reactive under normal conditions of use, storage and transport.

### 10.2. Chemical stability

Stable under normal conditions. No known hazardous reactions.

**10.3. Possibility of hazardous reactions**

None under normal circumstances.

**10.4. Conditions to avoid**

See Section 7.2

**10.5. Incompatible materials**

Keep away from strong acids, bases. The packing will be affected by moisture.

**10.6. Hazardous decomposition products**

Carbon monoxide and carbon dioxide will be generated.

**SECTION 11: Stability and reactivity****11.1. Information on Toxicological Effects**

**On contact with eyes** : May cause smarting and irritation.

**On skin contact** : Prolonged contact may defat and dry the skin, leading to possible irritation and dermatitis

**On inhalation** : Not applicable

**On ingestion** : May cause irritation of the mouth, throat and digestive system.

**Other health hazard information** : None known.

**SECTION 12: Ecological Information**

This product has not been tested. Judgements on the expected toxicity of this product have been made based upon consideration of its major components.

**12.1. Toxicity**

Not expected to be toxic to the environment.

**12.2. Persistence and Degradability**

Biologically not degradable.

**12.3. Bioaccumulative Potential**

This product is not expected to bioaccumulate through food chains in the environment.

**12.4. Mobility in Soil**

Not expected to be mobile in the environment.

**12.5. Results of PBT and vPvB Assessment**

Not applicable.

**12.6. Other Adverse Effects**

None known.

**SECTION 13: Disposal Considerations****13.1. Waste Treatment Methods**

**Product disposal** : Dispose in accordance with local regulations. Do not empty product into drains. According to the European catalogue, waste codes are not product specific, but application specific. The user should assign waste codes, preferably in discussion with the waste disposal authorities.

Packaging disposal : Dispose in accordance with local regulations. Do not empty product into drains.  
The user should assign waste codes, preferably in discussion with the waste disposal authorities.

Consult an environmental professional to determine if local, regional or national regulation would classify spilled or contaminated materials as hazardous waste.

#### SECTION 14: Transport Information

Not considered to be dangerous goods for transport.

#### SECTION 15: Regulatory Information

##### 15.1. Safety, Health and Environment Regulations/Legislation Specific for the substance or mixture

Not applicable.

##### 15.2. Chemical Safety Assessment

A Chemical Safety Assessment has not been carried out for this product

#### SECTION 16: Other Information

##### Other Information:

As this product is classified as non hazardous, this Safety Data Sheet is not legally required under REACH.

This Safety Data Sheet was prepared in compliance with article 31 and Annex II of the EU REACH regulation as well as their relevant amendments, on the approximation of laws, regulations and administrative provisions relative to the classification, packaging and labelling of dangerous substances and preparations.

It is the responsibility of the persons in receipt of this Safety Data Sheet to ensure that the information contained herein is properly read and understood by all people who may use, handle, dispose of or in any way come into contact with the product. If the recipient subsequently produces a Safety Data Sheet containing the products described in this document, it is the recipient's sole responsibility to ensure the accurate transfer of all relevant information in compliance with article 31 and Annex II of the EU REACH regulation.

All information and instructions provided in this document are based on the current state of scientific and technical knowledge on the date indicated. The Wykamol Group Ltd shall not be held responsible for any defect in the product covered in this Safety Data Sheet, should the existence of such defect not be detectable considering the current state of scientific and technical knowledge.

**Disclaimer:** Supplier gives no warranty of merchantability or of fitness for a particular purpose. Any product purchased is sold on the assumption the purchaser will make his own tests to determine the quality and suitability of the product.

The Wykamol Group Ltd expressly disclaims any and all liability for incidental and/or consequential property damage arising out of the use of this product. No information provided shall be deemed to be a recommendation to use any product in conflict with existing patent rights. Read the Material Safety Data Sheet before handling product.

**Legal Disclaimer:** The above information is believed to be correct, but does not purport to be all inclusive and shall be used only as a guide. The Wykamol Group Ltd shall not be held liable for any damage resulting from handling or from contact with the above product.
