

*Environmentally friendly, safe to use,  
degreaser.*

# Ecoclean Degreaser

## Product Description

**Ecoclean Degreaser** is a clear, eco-friendly cleaning fluid for the fast removal of grease from metallic tools and equipment, along with various other substrates. It has a slow evaporation rate which enables exceptional degreasing properties.

In the safe and environmentally friendly industry of the 21st century **Ecoclean Degreaser** has an enhanced toxicological profile meaning it is a much safer alternative to more traditional products.

## Technical Data

Appearance	Clear liquid
Specific Gravity @ 15.6c	0.834
Flash Point (PMCC)	62.2°C
Viscosity (mm <sup>2</sup> /s) @ 25°C	1.18
Coverage	Applicable to cleaning progress
Recommended dilution	None required

## Advantages

- Biodegradable and eco-friendly.
- Exceptional degreasing power.
- High flash point.
- Safe to use, not classed as an irritant or solvent.
- Single component, i.e. no mixing involved.
