

## PRODUCT DATA SHEET

# EVERBUILD® MAMMOTH® FIXALLS

INDUSTRIAL STRENGTH, SELF ADHESIVE, HOOK AND LOOP FASTENING TAPE

### PRODUCT DESCRIPTION

EVERBUILD® MAMMOTH® FIXALLS is a premium quality self-adhesive hook and loop fixing tape designed for securing many items in and around the home or business.

### USES

- Ideal for securing, hanging or displaying items again and again
- Can be used for long term use and everyday applications

### CHARACTERISTICS / ADVANTAGES

- Stick to most common household surfaces.
- High tack adhesive.
- Easily removed for quick re-positioning.

### PRODUCT INFORMATION

<b>Chemical Base</b>	Hook & loop strip with rubber adhesive
<b>Packaging</b>	20mm x 1m
<b>Appearance / Colour</b>	White
<b>Shelf Life</b>	36 months from date of manufacture.
<b>Storage Conditions</b>	Store in cool dry conditions between 5 and 25°C. Storage outside these conditions will significantly affect the performance of the tape.
<b>Service Temperature</b>	-10 to +60°C

### APPLICATION INSTRUCTIONS

#### APPLICATION METHOD / TOOLS

Ensure surfaces to which tape is to be applied are clean and dry. Remove outer packaging from roll of tape. Remove equal amounts of each roll of tape and cut to equal lengths. Remove the backing plastic from one roll and press firmly into position on the item to be bonded. Remove the backing plastic from the second roll and press firmly into position where item is to be secured. Press item firmly into place ensuring

both sides of the tape meet together. Hold in place for 2-3 seconds.

#### LIMITATIONS

- Do not use on surface which bleed oils or plasticisers.
- Always test a small area for compatibility prior to full application.
- Do not use externally.
- It is the user's responsibility to determine suitability for use. If in doubt contact technical services for advice.

## VALUE BASE

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

## LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for the exact product data and uses.

## ECOLOGY, HEALTH AND SAFETY

Consult MSDS for full list of hazards.

## LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
